

EAST COAST ROAD LOTS

 Saint Andrew, Barbados

East Coast Road Land for Sale ? Beachfront & Landside Opportunity

Discover a rare chance to own a remarkable piece of Barbados real estate along the breathtaking East Coast Road. Spanning 152,630 sq. ft., this one-of-a-kind property offers both direct beach frontage and elevated landside acreage, creating a versatile canvas for visionary development.

The land features a natural slope from inland to shore, showcasing the dramatic rock formations of the Scotland District and delivering uninterrupted ocean views. With its unique dual-aspect layout, the beachfront portion provides direct access to the coast, ideal for leisure, rental appeal, or eco-friendly tourism concepts, while the elevated section offers privacy and panoramic vistas, perfectly suited for residential enclaves or retreats.

Set on one of the island's most scenic and sought-after coastlines, this parcel is more than a land purchase; it's a legacy in the making. Whether you plan to build, invest, or secure a slice of paradise for the future, opportunities like this are increasingly rare. This East Coast Road gem is truly a once-in-a-lifetime find.
