

THE MOUNT 5A

 Saint George, Barbados

The Mount 5A is a charming four-bedroom multi-level home nestled in a quiet, elevated neighborhood, offering panoramic island views. Architecturally designed and built in the 1990s to make the most of the sloping land, the home is filled with natural light, featuring high ceilings and expansive windows that create an open and airy atmosphere.

Upon entering, the foyer leads to a spacious office, which could serve as a media room or study and an ensuite bedroom, providing flexible spaces separate from the main living areas.

The fully equipped kitchen flows down to the dining area, which opens onto an outdoor patio, perfect for enjoying the cool breezes. Another level features the master suite, complete with its own private patio, as well as the laundry area and staff room.

The living room, situated on the upper level, is bathed in natural light and offers magnificent vistas of St. George valley and beyond. It extends onto a covered patio, seamlessly blending indoor and outdoor living.

On the lower level, two additional ensuite bedrooms offer comfort and privacy for family or guests.

Additional features include a covered double carport with extra storage space and 1,600-gallon water tanks.

With its thoughtful design, abundant natural light, and generous potential for personalization, The Mount 5A is an inviting home that effortlessly combines character, functionality, and breathtaking views.

Offered semi-furnished.
