The entrance is marked by a unique 'lighthouse' styled coral stone wall that serves as the backdrop for the spacious ocean front verandah and pool deck. The pool is an ideal place to while away the hours while there are also some picturesque shallow pools and bays just along the low cliffs from the garden.

The open plan deck serves as the perfect place for al fresco meals with an 8 seater dining table and oversized sun loungers ideal for enjoying the sunrise with your morning coffee. The kitchen is fully modernised with a large breakfast bar and two French doors open the room out completely to incorporate the views. Off from the kitchen is the spacious master bedroom with a king sized bed, lots of cupboard space and doors opening out onto the pool patio. The en suite bathroom has a shower, while there is a tub bath in the room looking out towards the ocean.

The basement apartment is situated just off from the kitchen via a stairwell and there you will find three bedrooms, the first has three twin beds and a bathroom across the hall, while the other two share a bathroom and have a king sized bed and two twin beds. On this level you will also find a play room/gym, small kitchenette, casual living room and dining area and access to a small patio, the garden and the ocean beyond. There is a separate entrance for this apartment offering guests privacy as they come and go, perfect for visiting friends or family.

The second floor is accessed via a curved stairway and has three more bedrooms. On the western side are two rooms, one with a king bed and sitting area and one with twin beds and a lovely bay window, these rooms share a bathroom. On the east is another large room with walk in closet and en suite bathroom. The rooms are bright and airy with large windows and gorgeous vistas of the turquoise blue sea.

Emily House is located in the picturesque and quiet Atlantic Shores area on the South Coast of the island and is in close proximity to many of the well known local surfing spots as well as the popular Miami Beach and fishing town of Oistins. The South Coast is known for its bustling laid back style with many restaurants, night clubs and gorgeous white sandy beaches. The airport and Barbados Golf Club are also only a short drive away.
