Set back from the coast road this two-storey villa is ideal for families or groups of up to 8 looking for privacy but also coastal convenience. The villa has been newly renovated with an open-plan modern design featuring high ceilings, bright and airy bedrooms, a spacious covered deck, and stunning views of the turquoise Caribbean Sea.

The entranceway leads straight through to the airy kitchen and dining rooms and the picturesque views of the bay beyond. The kitchen is modern with a pantry off to the side and open plan dining with a formal 8 seater table as well as a casual breakfast bar and Caribbean chic decor with ocean hues.

The partially covered sun deck is enclosed for privacy but has access via stairs down to the sandy beach below. Guests can look forward to spending the day sunning on the loungers on the deck, snorkeling with the visiting sea turtles, and sipping cocktails from the plunge pool at sunset before heading out to one of the many popular restaurants and hotspots that can be found on the famous Platinum Coast of Barbados.

There are two bedrooms on the main floor, a master room with a casual seating area, a king-size bed and an en suite with tub bath and rain shower, and a second bedroom with twin beds, built-in closets, and an en suite bathroom.

The second floor is definitely the place to relax after a day in the sunshine. Open and airy it features a spacious living area with oversized comfy sofas and a big-screen entertainment center as well as more casual seating and dining area that opens out to a spacious balcony, cool ocean breezes and gorgeous panoramic views of the quiet bay.

On this floor, you will find another master bedroom set to the rear of the house featuring a king-size bed, walk-in closet, en suite bathroom with tub bath and rain shower as well as a second en suite guest room with king-size bed. There is also a powder room in the corridor for visitors.

Westshore is fabulously positioned just five minutes drive from the picturesque town of Speightstown which is home to many lovely beachfront restaurants and cafes. The bustling Hometown is 10 minutes drive away and there you will find trendy boutiques, casual dining and popular nightclubs. For golf enthusiasts, Sandy Lane Golf Club and Westmoreland are only moments away.
