As an iconic traveller with discerning taste, Blue Sky Luxury welcomes you to The Ridge, one of the most luxurious holiday estates in the Caribbean. This expansive villa is situated on 2.68 acres and boasts some of the most stunning ocean views in Barbados. Tucked on a ridge near a charming coastal town in Barbados, The Ridge is moments to some of the most breathtaking beaches and luxury amenities in the Caribbean. The opulence of The Ridge is reflected in key statement pieces flown in from all over the world. Journey with us to a cottage-sized wine room, cinema, spa, multi-level gym, and private tennis court.

A sun-drenched stay

The main house features five sea-facing bedrooms. Three bedrooms are upstairs including a spacious master with his and hers ensuite bathrooms. Two are downstairs, with one ground-floor bedroom being wheelchair accessible. An elevator links the upper floor and the wine cellar. The gingerbread section is an oasis. It features a tucked-away playroom for children and four ground-floor bedrooms with a full kitchen, laundry and living area. Gingerbread is highlighted by a spacious patio cooled by calming breezes and views of the tennis court. An eclectic, giant outdoor chess board complements this sinfully sweet retreat. The two-bedroom cottage section is steps from Gingerbread and has two private ground-floor, ensuite bedrooms with patios overlooking the Koi pond.

A theatrical courtyard fountain, hidden ethereal gazebos, and a breathtaking ridgefront pool are some of the key features and amenities at The Ridge. Star-studded poolside weddings have the perfect backdrop against sublime views of the Caribbean Sea. The sun kissed open air deck is a gorgeous space and is reminiscent of an upscale outdoor lounge. The pool deck is complete with plush seating and covered areas. Hosting large parties is a breeze at this luxury villa. There is a separate kitchen for poolside dining, an expansive kitchen with a commercial walk-in fridge and freezer in the main residence and a full kitchen in Gingerbread. The Ridge is also fully staffed with expert staff to ensure a seamless experience. Our staff

consists of experienced and skilled individuals who are not only trained in the art of hospitality but also possess a natural ability to anticipate and fulfill every need of our guests. Expect a discreet staffing complement that provides the highest level of service.

An impressive collection of memorabilia

A priceless stay awaits at The Ridge, with a fine collection of unique items designed to awe and inspire. Design enthusiasts will appreciate the incredible furniture pieces by designers Carlo Bugatti and Viscount Linley and sketches from artist and designer Oliver Messel, who designed many of Barbados' most famed houses. International and Barbadian history unite in a stunning walkthrough display. The iconic display sits between stunning sea and pool views and a magnetic office space. Browse 22-year-old Barbadian rums, historic Barbadian pennies from 1788, and a nod to African culture with soulful art pieces. A variety of grand, oversized perfumes salute an era of beauty and class, featuring names such as Laura Biagiotti, Yves Saint Laurent, and Burberry. At the Ridge, you will experience life at its finest. From the stunning property size and mesmerising ocean views to the incredible collections and unique features, this Barbados villa offers the ultimate luxury experience, whether for a family retreat, group celebration, or a quiet, relaxing holiday in complete seclusion.
