

## CHANCERY LANE DUPLEX

This multi-unit home in Long Bay Chancery Lane is more than just a smart investment — it's a property that blends modern finishes with island living in one of the most peaceful corners of the south coast. Set on approximately 18,050 square feet of land and fully enclosed for privacy, the home is surrounded by fruit trees and enjoys the quiet charm of a residential neighborhood only minutes from the action of Oistins.

The property offers two spacious three- bedroom two-bathroom apartments and a one-bedroom apartment, all fully furnished with taste and style. Each unit opens to its own terrace or patio, perfect for outdoor dining or evening relaxation, and the interiors are bathed in natural light. Master bedrooms have ensuite bathrooms while additional bathrooms double as powder rooms. Modern details such as glass shower enclosures, ceiling fans in bedrooms and living areas, and security features with burglar bars throughout make this home as practical as it is inviting.

Currently one three-bedroom unit and the one bedroom are rented long term while the upper three bedroom is vacant, offering immediate income with space left for your own enjoyment or further rental potential.
