

## ART STUDIO 7

 Saint James, Barbados

Welcome to Art Studio Unit 7. Perched on the second (top) floor, this cozy unit is nestled in the heart of Holetown and offers direct beach access.

The open plan design offers generous closet space, airy interiors, a private patio, and is within easy walking distance to nearby amenities, including Limegrove Lifestyle Centre. The unit is also fully air conditioned, with modern appliances, free Wi-Fi, Cable TV, and free onsite parking.

Outside, there is also a shared charcoal barbecue, perfect for al fresco dining, accompanied by beach chairs where you can relax and savor the stunning garden view, making it the perfect place for your next Barbados vacation.

The former Discovery Bay Hotel which was situated adjacent to Art Studio Condominiums, has now been completely demolished and the new hotel build is well underway. Most of the heavy and noise creating works are completed as the project has reached roof level. Please be advised that there MAY be some noise, dust and disturbance to Art Studios and the neighboring properties and on booking this property, you agree and accept that this is a possibility. Art Studios 7 is fully enclosed with glass windows and doors as well as fully air conditioned, so we anticipate reduced disturbance for our guests but cannot guarantee.
