

HOTHERSAL TURNING 49, CLARKES ROAD *UNDER OFFER*

Saint Michael, Barbados

Located just off the highway close to the Clyde Walcott roundabout is this quaint 3-bedroom, 2-bathroom house in a charming local neighborhood. The house is compact but has everything you need including a spacious garden with a mango tree that backs onto the highway. There are 2 double bedrooms and one single that all use a family bathroom with a further bathroom off the kitchen.

Situated all on one level, the house would suit an older couple or a small family as it has an enclosed garage, small patio, living and dining room, utility room and a shed in the garden. While the house is very close to the highway it is a corner lot with a spacious mature garden that is very private. The kitchen is a good size, and the accommodation is concise but practical.

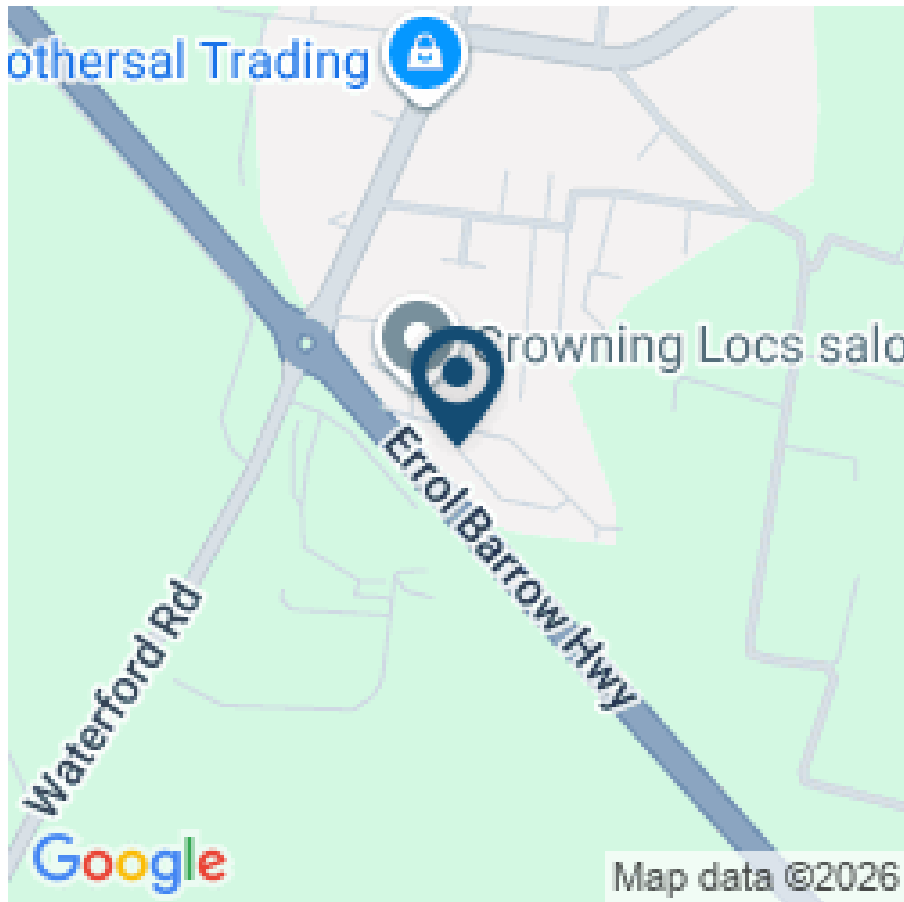

The house has not been used for some time and so could use a little clean up and some TLC.
