

BELLEVILLE 6 - "AMPLEFORTH"

 Saint Michael, Barbados

This recently renovated property is located in the popular Belleville area known for its many medical facilities. The area also comprises some commercial properties and residential homes, so Ampleforth could easily facilitate offices, an Elderly Care facility with its medical options within minutes, a yoga studio/beauty/wellness centre, or even residential accommodation for medical students at the nearby hospital. In addition, there is a separate building that can be used as a studio apartment, additional office space or storage.

The property has benefited from electrical and plumbing upgrades, modernized bathrooms and kitchen area. The owner has kept the character of this traditional Barbadian home by keeping and refurbishing all of the original flooring and shutters and hence highlighting the beautiful wooden floors. There are high ceilings and many windows allowing for an abundance of natural light.

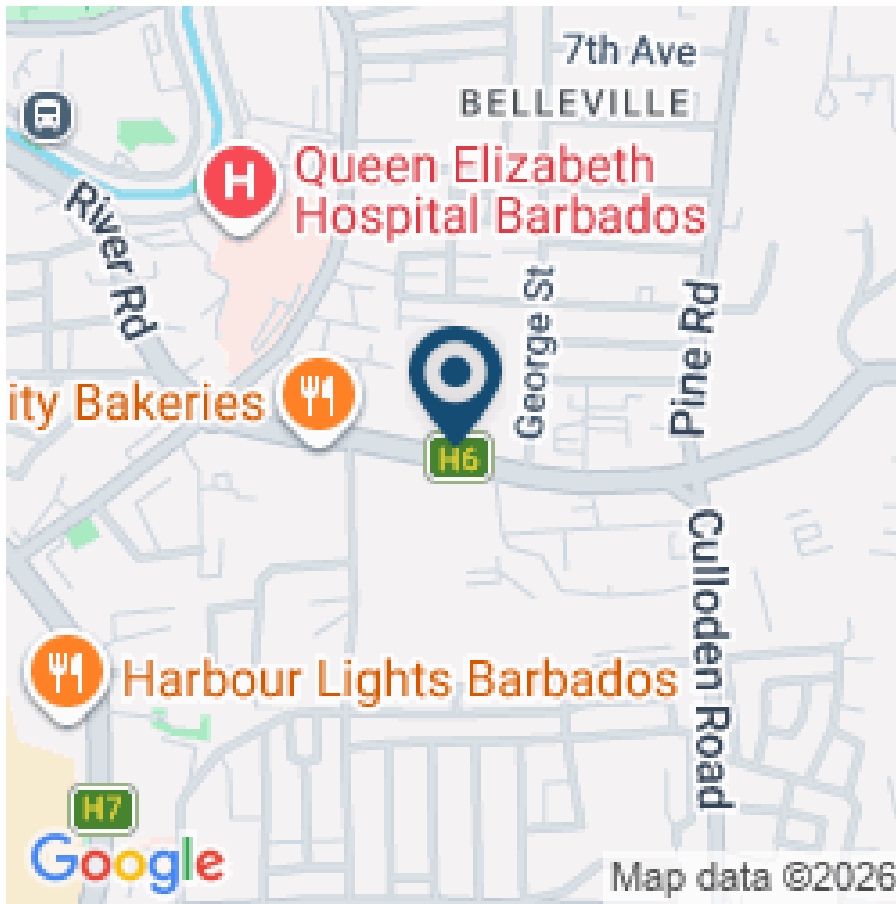

The ground floor offers a main foyer /reception area with 3 inter connecting rooms, kitchen , a full bathroom with shower and a ½ bathroom. There is an additional entry to the side of the property for wheelchair access. Upstairs are three large interconnecting rooms also with a full bath and half bath. These floors could be separated by the stairwell and side entrance. The grounds offer easy parking with a small back garden and the property is fully enclosed.
