BEACHFRONT DUPLEX PENTHOUSE WITH ROOFTOP TERRACE – SAINT PETER’S BAY 501 DELUXE PENTHOUSE

Positioned along the coveted shoreline of Barbados’s west coast, Penthouse 501 at Saint Peter’s Bay presents an extraordinary opportunity to own one of the development’s most exclusive residences. This five-bedroom, five-bathroom duplex penthouse spans approximately 6,300 square feet and offers the proportions of a standalone villa, elevated by the comfort and convenience of a fully serviced beachfront estate.

Occupying a prime end position in Building One, the residence enjoys enhanced privacy, abundant natural light, and sweeping panoramic views of the Caribbean Sea. The home unfolds across two expansive levels, thoughtfully designed to separate entertaining areas from private retreats.

The main floor has been beautifully upgraded with a refined open-concept layout that encourages both relaxed living and effortless hosting. A substantial central island anchors the contemporary kitchen, flowing seamlessly into generous dining and lounge spaces. Floor-to-ceiling openings lead onto a broad

oceanfront terrace where dedicated zones for alfresco dining and lounging capture uninterrupted sea views. A private lift from this terrace provides direct access to the beach below – a rare and highly desirable feature.

Upstairs, five spacious bedroom suites offer exceptional comfort and privacy. Each is en-suite, and several open onto private balconies that frame elevated coastal vistas and welcome cooling trade winds. A custom-designed office provides a polished and peaceful workspace, ideal for extended stays or remote working.

At the pinnacle of the home, a private rooftop retreat delivers an additional layer of luxury. Here, a covered dining pavilion, outdoor kitchen with barbecue, and a jacuzzi-style plunge pool create a spectacular setting for entertaining or unwinding. Expansive sea views and open skies ensure this level feels entirely secluded and personal.

Ownership includes access to the full array of amenities at Saint Peter’s Bay, including a lagoon-style swimming pool set within lush tropical gardens, direct access to a wide white-sand beach, and complimentary non-motorised water sports such as paddleboarding, kayaking, and snorkelling. Residents also benefit from beachfront dining at the Gazebo Bar & Grill, a fitness centre, secure gated entry, and 24-hour security.

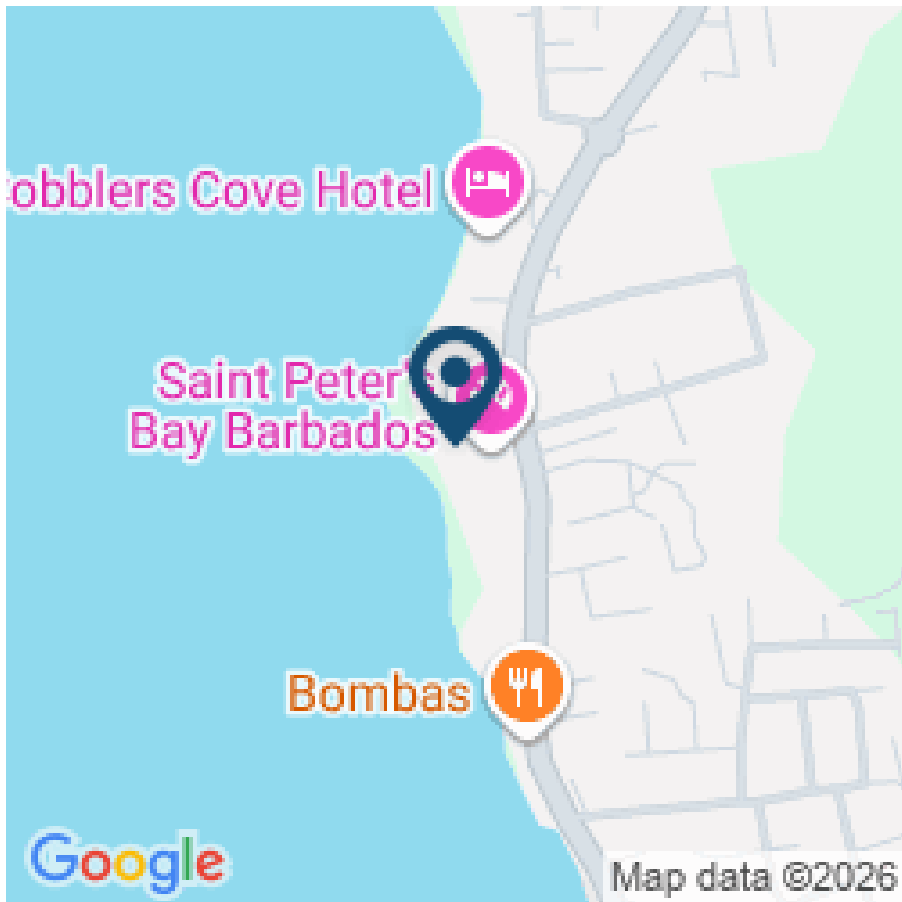

Conveniently located just minutes from Speightstown and a short drive to Holetown, the property offers the perfect balance of accessibility and seclusion. With only three duplex penthouses among just 57 residences in the entire development, Penthouse 501 represents a rare offering within one of Barbados’s most established and sought-after beachfront communities.
