

PRIME WEST COAST LAND CLOSE TO AMENITIES – ST. SILAS HEIGHTS, ST. JAMES

 Saint James, Barbados

Located within the quiet, well-established community of St. Silas Heights, this 5,400 sq. ft. parcel presents a fantastic opportunity to create a custom home on Barbadosâ€™ highly desirable West Coast.

Set just opposite the ridge, the lot benefits from its slightly elevated position, welcoming refreshing breezes and offering a peaceful residential environment. The neighbourhood is known for its calm surroundings and well-kept properties, making it an attractive choice for families, professionals, or anyone seeking relaxed island living.

Centrally positioned, St. Silas Heights provides convenient access to everyday amenities and lifestyle attractions. The beaches, restaurants, and shopping in Holetown are only a short drive away, while the commercial centres of Welches and Warrens offer supermarkets, banks, and essential services within easy reach.

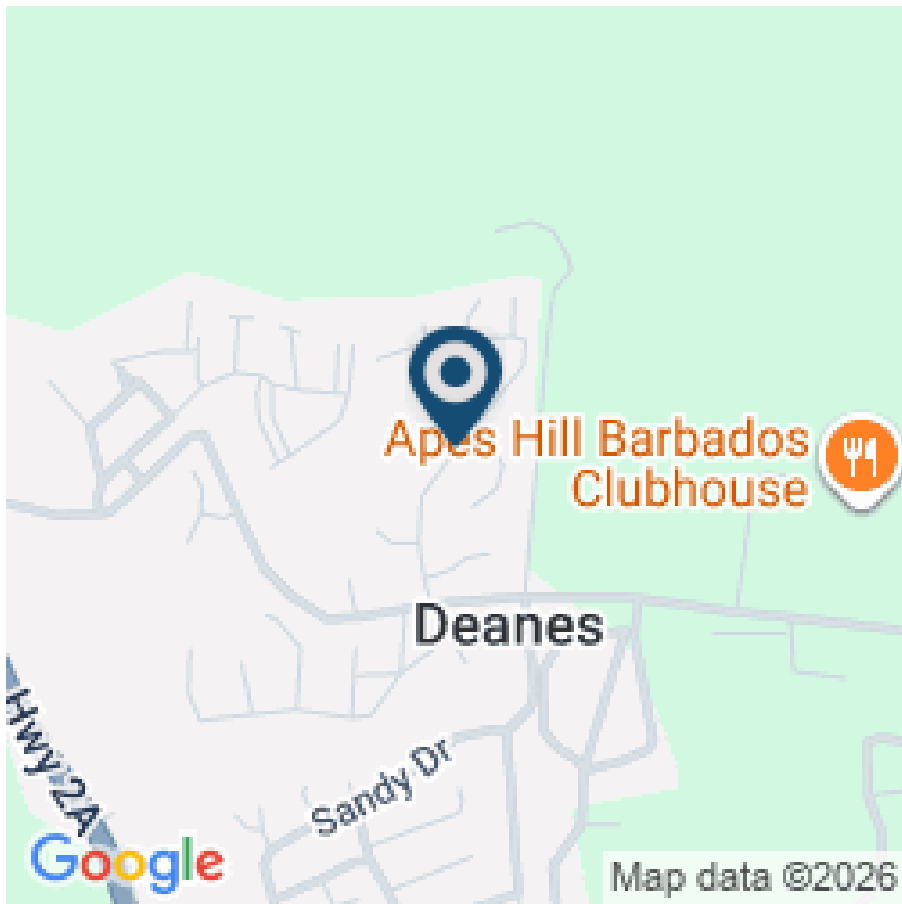

Whether envisioned as a private residence or a smart investment, this ideally located homesite offers excellent potential in one of the islandâ€™s most appealing residential areas.
