

OCEAN BLUE, PAYNES BAY

 Saint James, Barbados

Ocean Blue Barbados is a collection of fully furnished 1, 2 and 3 bedroom luxury condominiums perfectly positioned in the heart of Paynes Bay, St. James- one of the island's most desirable beachfront enclaves. Designed to capture the essence of island life, Ocean Blue blends contemporary architecture with natural beauty, creating a sanctuary of light, tranquility and connection to the coast. Just steps from Paynes Bay beach, it embodies elevated island living and the art of living well on Barbados' Platinum Coast. Each residence comes fully turn-key, elegantly furnished and ready for immediate occupancy or inclusion within the rental program. When not in residence, owners can optimize their investment through managed rentals, offering the opportunity to earn when not enjoying all that Ocean Blue has to offer. Residents of the Ocean Blue development embrace a lifestyle rooted in nature and elevated by thoughtful design. Each residence offers a sense of place that feels both luxurious and deeply personal, transitioning effortlessly between high-end rental living and private retreat.
