

LUNA MARE, 2 BED

 Saint Lucy, Barbados

Luna Mare is an intimate beachfront development of just 20 residences, designed for privacy, discretion, and refined coastal living.

Located in Moontown, St Lucy, the development embraces a quieter rhythm of life, where modern elegance meets the natural beauty of the sea. The architecture is fluid and luminous, shaped by light, movement, and a deep connection to its surroundings.

Luna Mare residences provide refined, light-filled homes with open-plan interiors, generous terraces, and seamless indoor–outdoor flow, with select ground-floor homes featuring private plunge pools and landscaped outdoor spaces. Premium finishes, integrated high-end kitchens, and spa-inspired bedrooms and bathrooms create private sanctuaries suited for both refined full-time living and elevated retreat-style living.

Residents enjoy a curated rooftop experience where leisure, wellness, and connection come together. An infinity pool with heated jacuzzi overlooks the Caribbean Sea, surrounded by sun loungers, shaded cabanas, and panoramic sunset views. The rooftop bar and culinary space is designed for effortless entertaining, featuring professional-grade appliances, a wood-fired pizza oven, and built-in grill. A dedicated wellness pavilion offers a serene retreat with a hammam, cold plunge, private massage room, and spa-style showers, while the enclosed, climate-controlled fitness studio provides ocean-facing views, modern training equipment, and private changing rooms for year-round comfort.

Moments from world-class dining, golf, yachting, and shopping, the development pairs refined living with resort-level amenities including a rooftop infinity pool, cold plunge, wellness pavilion with fitness centre, a hammam and a serene poolside retreat.

Starting at USD 1,957,000.
