View Video Below.

On entering this 3bd/2bth main house, you will notice the open plan living, dining and kitchen area with a small office nook tucked to the side of the entrance. There is a washer and dryer area to the back. A door from the kitchen area leads out to the exterior deck which also has access to the backyard via a stairway.

As you make your way from the lower level to the top floor there's a powder room comfortably tucked away beneath the stairs.

At the top of the stairs you'll find the Primary suite complete with a walk-in closet, and an en-suite bathroom, A/C and even a private balcony. This upper level is shared with 2 other bedrooms, one of which also has A/C and a shared bathroom.

The house is supplied with natural gas. Water and gardening are included in the rental fee. Outdoor pets are welcomed and children over 10 are preferred.

*Please note that there is an already tenanted apartment on the ground floor.
