

FORTRESS FARMS

 Saint John, Barbados

Fortress Farms is set on a sloping 2.27 acre site with lush gardens and breathtaking views out to the Atlantic Ocean. The house has 2 en suite bedrooms on the first floor, a gym, office, kitchen and an open plan living/dining area that opens onto a back patio and spacious L shaped front terrace. The ground floor features a double car garage, maid's quarters, laundry room, storage and a spacious 1 bedroom apartment with a large living area and kitchen. The grounds are landscaped with a variety of local and exotic fruit trees such as Jamaican ackee, mango and avocado to name a few. Fortress Farms is fully enclosed with an electric gate.
