

FULLY FURNISHED 4 BED HOME - NO 18 CAMERON PARK, ST GEORGE

 Saint George, Barbados

Furnished | Available immediately

Set at the end of a quiet cul-de-sac in the peaceful neighbourhood of Walkers, St. George, this beautifully renovated four-bedroom, 2.5-bathroom cottage-style home blends modern comfort with timeless charm.

Flooded with natural light, the interiors are framed by French doors that lead onto a generously sized, covered wraparound patio—perfectly designed for seamless indoor-outdoor living. Here, you can unwind or entertain while enjoying cool northeast trade winds from the outdoor bar, with the space extending to a private pool and deck bordered by a natural waterway and mature trees for added privacy.

A striking two-storey foyer creates an immediate sense of arrival, featuring a custom wrought-iron staircase and contemporary chandelier overhead. This space flows effortlessly into an expansive open-plan layout, comprising formal living, family, and dining areas.

The dining area connects to a spacious, well-appointed kitchen outfitted with granite countertops, a large island with secondary sink, pantry, and sleek stainless-steel appliances. Built-in seating adds a social element, making it ideal for hosting while preparing meals.

Just off the kitchen, a mudroom with ample storage links directly to the garage, while a dedicated home office offers built-in cabinetry and workspace. A separate laundry room and additional storage further enhance functionality, and the patio's extension from the kitchen provides an inviting option for al fresco dining.

Upstairs, the primary suite features an en-suite bathroom, walk-in closet, and a private balcony overlooking the pool, with distant views of the Bridgetown Port and the Caribbean Sea. Three additional bedrooms—two with walk-in closets—share a full bathroom. Vaulted ceilings throughout the upper level enhance the sense of space and light, reinforcing the home's airy cottage aesthetic.

Additional features include:

- Air conditioning in all bedrooms, the TV room, and office
- Security grills throughout, including a secure upper-level zone
- Motion-sensor lighting surrounding the property
- Full perimeter security camera system
- Water storage tank and pump
- Irrigation system supplied by rainwater collection

Rental includes quarterly pest control, as well as pool and garden maintenance, offering a truly turnkey living experience in a serene yet well-connected location.
