WAITHE ROAD 3

Saint George, Barbados

This well-maintained 3,838 sq. ft. four-bedroom, three-bathroom home, built in 2005, offers generous living spaces and a practical layout across two floors.

Upon entering through the patio, you are welcomed into a large open living and dining area, ideal for entertaining and family gatherings. To the east is a comfortable den featuring a charming bay window, along with the fourth bedroom and a full bathroom, providing a convenient option for guests or family members who prefer ground-floor accommodation.

The dining area flows naturally into the spacious kitchen, which offers ample cupboard and counter space, providing plenty of room for storage and meal preparation.

Upstairs, the home continues with a generously sized primary bedroom, complete with an en-suite bathroom, a large walk-in closet, and its own private patio. Two additional bedrooms, both with built-in closets, share a bathroom with a shower, completing the upper level.

Externally, the property provides parking for three vehicles, a single-car garage, and access to a basement storage area, offering useful additional space for storage and household needs.

The house is situated on a right of way serving two other homes within the community, providing access while maintaining the residential character of the property.
