

## [Aerial footage of Harrismith, Barbados](#) [1]

Apparently named for the Harris and Smith families who owned this vacaiton home on the wind-swept South-East coast of Barbados, Harrismith is sadly now a ruin, like many of Barbados' stately plantation and vacation homes.

A flight of stone steps takes you to a secluded beach, which can be seen in the video.

Harrismith is close to another famous Barbados landmark, Sam Lords' Castle. Maybe the subject of a future video?

The [Harrismith property is for sale](#) [2] for \$20million US.
