

## VALLEY VIEW 2, WALKERS, ST. GEORGE \*\*REDUCED\*\*

Barbados

This well designed 3-bedroom, 2-bathroom single story house sits on 15,788 sq ft of land with beautifully manicured gardens and mature trees. The house features high ceilings and bamboo wooden floors throughout. An open plan living and dining room is complemented by an entertainment room, both of which lead to a L-shaped covered patio via sliding glass doors and French doors. Other features include: a laundry room, en-suite master bedroom with walk-in closet, security grilles, fully enclosed grounds and views of the St. George Valley. This property is located in an established residential neighbourhood with cool country breezes and is ideally suited as a family home.
