## BOTTOM BAY

This inviting family home is attractively priced to sell, considering that it is valued at Bds\$1M. The main entrance leads into an extremely spacious open plan concept featuring a sitting room, dining room and family area which open out to a back patio.

The kitchen is quite spacious with ample cupboards and an island ideal for casual dining. Off to the side is a laundry room and an entrance from the garage, where there are also 2 storage rooms.

There is a powder room at the foot of the stairwell which leads up to 3 bedrooms. The master has a walk-in closet and an ensuite bathroom with shower/tub and double vessel sinks. The other 2 bedrooms share a bathroom with shower.

The property is nestled in an established neighbourhood within walking distance to a ridge overlooking the ocean and also the main beach access to Bottom Bay. It is fully enclosed and ideal for a family.
