

JACKSON TERRACE HOUSE

 Saint Michael, Barbados

This 5 bedroom 4.5 bathroom property is located in the Jackson Terrace, St. Michael area, 5 minutes drive to all the banking, shopping and business facilities in the increasingly popular Warrens area.

This two storied property sits on a land area of 11,260 sq. ft. with the upper level 2,300 sq. ft. including tan apartment and lower floor level of 2,544 sq. ft. The unfinished upper level apartment to the back of the property consists of 1 bedroom and 1 bathroom living /dining/ kitchen and upper patio.

The access road to the property is to the South and through this entrance on the ground level is the l-shaped verandah with pool and jacuzzi which leads into the foyer with living room on the right, which has two additional doors opening to the L-shaped verandah and pool deck. The stairwell upstairs is straight ahead of the entrance foyer and the dining room is to the left of the foyer. This leads into the kitchen with a bar opening to the family room on the opposite side. This family room has an external door to the North that leads out to a small patio into the back yard. To the right of thie kitchen is the entrance to the stairwell leading to the upper floor. Pass this stairwell, on the eastern side of the lower level is a powder room pass which is a bedroom with ensuite bathroom. A corridor opposite to the stairwell and just outside the kitchen leads pass the pantry (or storage cupboard); the laundry room and through an additional room to the north that opens into the double carport.

The master suiite with walk-in closet and bathroom are on the right or eastern side of the upper landing along with a study to the south. Straight ahead at the top of the stairs is bedroom 2 which has a small balcony to the west and is fitted with built-in cupboards and an air sonditioning unit which may not be functional.. On the left of the upper landing, or western side of the house, is bathroom two, another small room with many built in cupboards and bedroom 3 to the South-West, also with built-in cupboards. There is ample sturdy cupboards throughout the house including another storage cupboard on the upper landing between bedroom 2 and bathroom 2.

Above the double car port to the north of the property is the one bedroom, one bathroom apartment.

There is solar water heating.
