Description

Ocean One is one of Barbados' luxury beachfront condominium properties available for holiday rentals. The accommodations offer ultra stylish and contemporary beachfront living unlike any other, featuring some of the most high end finishing's, furnishings and amenities in Barbados.

Our South Coast location offers direct access to the quiet, pristine white sand beach and to some of the best

dining, shopping and nightlife in Barbados, including St. Lawrence Gap and the Oistins Festival. We are no more than 15 minutes away from the International Airport and the same from the main city and shopping centre Bridgetown. Our exact locale is on the Maxwell Coast Road, well away from the busy main road and traffic sounds.

The small number of units (21), all ocean view, in this beautifully designed five storey building ensures a personable experience and avoids the constant bustle found in larger properties.

Ocean One consists of exquisitely furnished two and three bedroom units ranging in size from 1,389 to 2,638 square feet of gracious floor space. All have their own individual style & flair, furnishings and list of available amenities, each offering their own flavour of the luxury and comfort at Ocean One.

No effort has been spared in ensuring the highest quality in finishes and furnishings such as the flat screen Televisions, the Italian designed kitchens with marble counter tops, fully fitted with GE kitchen appliances such as the double-door fridges, dishwasher, microwave, electric stove and stove top etc.

Each room is equipped with individual air-conditioning and most with ceiling fans. All units feature an open designed living / dining area which looks out onto the ample balcony with gorgeous ocean views. These areas too are fully air-conditioned, but offer you the choice of opening the large glass balcony doors to be cooled by the sea breezes.

Unit 202 is an exquisitely furnished, three bedroom, three bathroom center unit located on the first floor. As with all units at Ocean One, it features a large balcony with a breath-taking, panoramic ocean view.
