Description

An elegantly finished 5 bedroom, 5 bathroom spacious family home situated in an upmarket residential neighbourhood. An open plan kitchen complete with a breakfast bar, stainless steel appliances including a dishwasher, a breakfast area and a separate laundry room leads to a huge open plan living area with a pickled pine ceiling. This extends outside to a large sheltered patio that is approximately 20' x 20' with a sizable adjacent infinity edge swimming pool offering country views and overlooking the garden. Conveniently there is also a bathroom that is accessed externally from the garden. The main level of the house also has an enormous guest bedroom that is about 20' x 11' with a small private patio and a nearby bathroom with a shower in it. Upstairs there are essentially two master bedrooms that are approximately 14' x 11' with en suite bathrooms with each having both a shower and bathtub, as well as walk-in closets and private sheltered patios. The other two bedrooms are also a good size, and they share a large patio and a bathroom with a shower. In addition there is an open area that could be utilized for a work station, which flows out to a front patio that is about 20' x 6' and offers partial and distant views of the St. George Valley and south coast. The property is further enhanced with automatic gates, recessed lighting and tray ceilings throughout much of the house, while providing excellent storage space. Truly a wonderful family home ideal for both children and entertaining, all situated in a central and breezy locale.
