Description

The Bridge is a cosy and comfortable studio apartment at The Moorings. This apartment is on the roadside of the property and is elevated and very well furnished and the ocean is just seconds away.

All the apartments at The Moorings are decorated in similar fashion. The polished concrete floors and wet bathroom add a mix of loft style with casual chic living. The space is well laid out and suitable for a couple or a

single traveller looking for a budget friendly stay right on the beach.

The walk in bathroom has a large shower and also houses the washing machine.

The property is located across the road from a popular local supermarket in a small complex that includes a doctors office and pharmacy. There may be occasional road noise.
