

## MALTA, CATTLEWASH

 Saint Joseph, Barbados

Malta is a rare find along the coveted beachfront at Cattlewash, St. Joseph. Its rustic external aesthetic encloses a beautifully finished interior - a touch of sophistication and luxury seldom found within the beach houses on the island's East Coast. Its gabled roof and high ceilings add character and charm. Sitting on 26,698 square feet of land, this Barbados property consists of a two-bedroom main house, plus a one-bedroom annex, providing privacy for guests or older children. The spacious, open layout of the main house encompasses the kitchen, living and dining area, which benefits from a direct view of the Atlantic Ocean.

This comfortable living space opens onto a wooden deck, where the private pool offers the option of a refreshing dip. Just off the living area is a cozy media room, which could be used as a third bedroom in the main house. The rugged and scenic Cattlewash has long been a favorite getaway spot for locals and visitors alike, well loved for its unspoiled tranquility and pounding surf.
