Description

The Crane Resort and Residences is located in the parish of St. Philip on the Southeast of the island. It is swept by fresh, invigorating breezes and nestled amongst the powdery pink sand. This is the other side of Barbados, unspoiled devoid of traffic noise, stunning ocean vistas, mosquitoes and formality.

The Residences at The Crane Resort are just a few minutes drive from the airport.

Residences at The Crane offer unparalleled resort living for the privileged few. Luxurious one, two and three bedroom residences range from 1,150 to over 4,000 square feet. Most feature large private swimming pools.

The furniture is native mahogany hand carved by skilled Barbadian craftsmen, inspired by antiques found in the original 1887 hotel. The architecture is period and timeless, with private balconies, breathtaking ocean views and private plunge pools. The walls are solid coral stone. The rooms are grand, with thousands of feet of square footage and timber tray ceilings up to 18 feet high. The luxuries and conveniences are decidedly twenty-first century: direct Internet access and whisper quiet air-conditioning. Open kitchens with granite counters and top-of-the-line dishwashers, refrigerators and washer-dryers. Marble bathrooms boast luxurious whirlpool tubs and spa showers with multiple heads.
