

BULKELEY TERRACE 9

Saint George, Barbados

Centrally located across from the old Bulkeley Factory at the end of a cul-de-sac and tucked away in its own tropical setting is this large and serene family home which sits on over an acre of luscious gardens with fruit trees.

As you enter the property one cannot help but admire the well-manicured hedge which surrounds the garden paths. Along the covered entrance is a pond then on to an open air courtyard before entering the home.

Spacious and spotless surroundings greet you as you enter the large living room that flows on either side to patios. The 4 bedrooms all en-suite are to the eastern side with the kitchen, dining and study to the West. Below are self-contained 2 apartments which are incorporated into one large home.

The grounds of the property include a purpose built dog kennel area that could be used as a horse stable along with a large shed and further out buildings.
