

BLUE WATERS #14

Christ Church, Barbados

Beautifully maintained and in excellent condition, #14 Blue Waters is a lovely example of a traditional style Barbadian 1950's home of about 3,400 sq.ft. living space, sitting on a generous size plot of approximately 11,162 sq.ft.

This property consists of 4 bedrooms, 4.5 bathrooms with a large kitchen. The basement level consists of spacious garage with full bathroom and maids quarters to the rear. As such, this area has good potential for conversion into a self-contained apartment, thereby giving the property additional income potential.

Blue Waters is a prestigious South coast neighbourhood and #14 Blue Waters benefits from being in a quiet cul-de-sac within the neighbourhood. Just a hop, skip and a jump from Accra and many other beautiful South coast beaches and but a short walk to many of the conveniences the South coast also has to offer.

A definite MUST see property!
