

ELOISE GARDENS

Situated just back from Gibbons Ridge up the hill from Oistins and within ten minutes of the airport on the South Coast of the island is this well planned private neighbourhood of house lots. The location offers easy access to the nearby beaches of Enterprise and Long Beach and the land is relatively flat with a gentle breeze flowing across it.

With roundabouts offering easy turning at each end of the development it is clear to see from the homes that have already been built that the neighbourhood is attracting home owners who are in a position to build their dream homes.

The lots have been attractively priced and viewing of the site is highly recommended
