WORKMAN'S, FREE HILL, ST. GEORGE WITHDRAWN

Located centrally, not far from the well known historic Gun Hill and local Orchid World, with convenient access to all areas of the island is this hidden treasure. Sitting in an elevated position at the end of a cul-de-sac is this stylish, executive four bedroom Family home. Built on the edge of a hill this property is very private with stunning picture perfect views of Bridgetown and the St. George valley.

This sensational property is well laid out with open plan living, dining and kitchen areas flowing to patios and gardens. Exceptional quality and style with porcelain tiled floors, hard wood trimmings and ceilings, casement windows and granite counters giving the property an oasis feel that the owners have enjoyed since they designed and built the house some 8 years ago.

The accommodation comprises

Living (28'9"x17'4") with double wooden doors to the garden and entrance.

Dining (37'2"x14'10") with double wooden doors to the two patios, breakfast counter (to the kitchen)

Guest powder room (11'5"x5'2")

Kitchen (14'x18') wooden cupboards, built-in oven and microwave, gas counter top stove in the center island, granite counters with breakfast bar, exit door to pantry and laundry.

Front patio (28'6"x21'5") spacious area with dining and living space, double wooden doors leading into the house, single wooden door leading to the Master bedroom and stairs to the garden

Rear patio pair of wooden doors from the living room and a tiled floor leading into the private rear garden

Laundry area

Double Garage
