

HEYWOODS PARK, 29 CENTRAL DRIVE ST. PETER

Saint Peter, Barbados

Tucked away in a quiet street in a peaceful neighbourhood known as Heywoods and within 10 minutes walk of Speightstown, is this quaint little residence known as “Erica House”. Built of brick with an Asphalt shingle roof over a decade ago, the house is in good condition and simply but effectively designed. The area is now very popular with returning nationals and “snow bird” visitors because the homes are well built and affordable with easy access to amenities and the beach.

Situated on the west coast with the fashionable marina of Port St. Charles, the new marina of Port Ferdinand and the charming town of Speightstown nearby, this area offers a security and convenience that is hard to match for the price.

The accommodation comprises

• Kitchen/diner (18’ x 10’) wooden kitchen cabinets • Living room • Master bedroom • Bedroom 1 • Bedroom 2 • Bedroom 3 (single) • Family bathroom • Laundry • Patio • Patio/garage • Garden

All of the bedrooms have a/c and there are ceiling fans throughout.

Outside: There is a hard standing behind the front gates in-front of the garage/patio with room for one car and access to the rear garden.
