TODDS GREAT HOUSE

Todds Great House, situated in the parish of St. John is one of the islands finest homes built in the plantation era. The property for sale comprises two parcels of land totaling 11.5 acres. Sitting on one parcel is the Great House with spacious rooms and high ceilings, a large swimming pool, multi car garage, nursery wing, and other outbuildings, on 3.5 acres of land. The Great House was fully refurbished and upgraded a few years ago, and all of the wooden sections of the house replaced, walls redecorated, electrical systems rewired, all sanitary and plumbing fittings replaced, complete refurbishment of the kitchen, and the conversion of an old garage to a two (2) bedroom apartment. A private swimming pool, entertainment deck and tennis court allow for outdoor enjoyment and further enhance the property. The adjoining 8-acre lot contains the two-storey managers house, a workshop, barn, stable block and horse paddock. The buildings on this plot - rubble and coral structures - are in need of repair and offer exciting possibilities for re-purposing. This property is a fine example of the traditional Barbadian plantation estate house with lots of old world charm. It enjoys a wonderful cool elevated position offering panoramic views of the countryside. E&OE
