ATLANTIC RISING BOTTOM BAY ST. PHILIP

'Bottoms Up' is a newly built, attractive 1,000 sq ft, 2 bedroom, 2 bathroom bungalow, located at the front row of Atlantic Rising, set on the cliff above Bottom Bay beach. Atlantic Rising is a 10-minute drive to all of the conveniences and amenities in Six Roads, including supermarkets, banks, Shell gas station, post office and restaurants.

This quaint development is perfect for short term and long-term renters because it is located in a highly desirable, quiet residential neighborhood in St. Philip.

At Bottoms Up, it is the perfect place to relax with a hammock, entertain guests or even enjoy one of Barbados' most pristine and untouched beaches which is just a short trek down a coral stone winding staircase.

White picket fences and a fairytale pergola lead you through the garden to the extended deck, which also abuts the master bedroom and overlooks the blue azure and cliff edge.

The balcony that adjoins the living area offers even more breathtaking views as you cast your glance out to sea.

This exciting new residential community is an idyllic get away in the form of a planned community and takes full advantage of the amazing panoramic sea views and constant cooling breeze.

We invite you to make Atlantic Rising your new home on the sea.
