Description

Located on a cliff top with panoramic ocean views of the beautiful south eastern coast of Barbados, Ocean Mist offers unsurpassed luxury in a private and peaceful setting. Surrounded by tall coral walls and rustling coconut trees, the coral stone Villa provides even the most discerning guests with an unforgettable vacation experience.

The villa's unique architecture and interior design provides classic sophistication, allowing guests to relax and enjoy themselves in a spacious Villa that provides all the comforts of home. The villa has been elegantly furnished with beautiful pieces imported from Ethan Allan Home Interiors (USA), and with five bedrooms, can accommodate up to ten guests.

All of the bedrooms and two full bathrooms (with walk in showers) are located on the upper level of the Villa. Four of the bedrooms have queen size beds, complete with soft duvet covers and 600 thread count Egyptian cotton sheets, perfect for a restful sleep. These bedrooms have direct access to a lovely wrap-around balcony, offering guests a peaceful place to sit and enjoy the magnificent ocean views. The fifth bedroom has two single beds, in bunk bed style, and its own cable television with DVD player, making it the ideal children's bedroom. All of the bedrooms have remote controlled air-conditioning units as well as ceiling fans. Sliding screened windows also allow guests to fall asleep to the soothing sounds of the ocean waves while being gently fanned by the wonderfully cooling trade winds found on this side of the island.

The heart of the villa is the 'Great Room'. With soaring 35 foot ceilings and a spectacular wall of glass offering uninterrupted views of the sea and sky, this versatile main floor space is the ideal spot for entertainment or relaxation. The 'Great Room' opens up to an elegant Dining Room with a large dining table that comfortably provides seating for up to ten guests, as well as a fully equipped kitchen. A set of French doors leads you from the Dining Room out onto a private outdoor dining terrace. Surrounded by soft lighting and wonderful views, this outdoor dining terrace is the perfect place for romantic dinners under the stars.

After a long day in the Caribbean sun, guests can enter the Villa's air-conditioned main floor Entertainment Room. Sink into deep, down-filled couches and relax in front of a 46' Samsung HD Smart TV with family and friends, enjoy the villa's hi-speed, wireless internet, or play a favorite CD and enjoy a quiet afternoon of reading. The main floor also provides full laundry facilities as well as a main floor bathroom/powder room.

The Villa has one of the island's largest, private swimming pools (50 feet x 30 feet) and its' crystal clear waters are irresistible to both serious swimmers and children who love the shallow-end pool waters. For guests who prefer to swim under star-filled night skies, the Villa's pool has underwater lighting that makes evening swims here especially inviting. The pool is surrounded by a large sun deck, lounge chairs, tables and umbrellas, and there is a poolside cabana where guests can enjoy a refreshing outdoor shower. Guests can dine outdoors and use the Villa's on-deck Weber gas BBQ, and spend long, leisurely days outside soaking up the warm rays of the Caribbean sun.
