Additional internet access is available in the downstairs reception area. You enter the property via a grand reception entrance with a fish tail palm tree which leads into a stunning open plan living room with over twenty foot high ceilings. The living room includes elegant yet comfortable sofas and armchairs as well as a Squire & Longson baby grand piano which helps set off any social event. From the living room you can walk left onto the pool and deck area which is also accessible via small bridges or for those who prefer to relax in the cool of the gardens the living room also opens onto the spacious shaded terrace at the back of the house, which includes comfortable sofas, loungers and a card table.
