

CLERMONT GREEN 18

Saint Michael, Barbados

Townhouse with 2 bedrooms, 1.5 bathrooms situated in Clermont Green. It is an end unit and one of 36 townhouses centrally located – close to the University Campus, Warrens and the west coast. It is a secure gated community (with coded entry).

Semi-furnished with solar water heating, security grills and screens, and an air conditioning unit in the master bedroom. There is wi-fi internet connection and ample storage space. The downstairs area is open-plan with separate powder and laundry rooms, and a patio. The kitchen has Decoran counter tops and maple wood upper and lower cupboards. Upstairs, there is a bathroom with a shower and a large linen cupboard. Both bedrooms have built-in closets, and drawers and bookshelves have been added.

The communal gardens are well landscaped and maintained, with a small pool and lake with a waterfall. One parking space is allocated and others are available for visitors.
