13 COUNTRYSIDE, 'CHARMING PRIVATE COUNTRY HOME'

Saint Thomas, Barbados

If you are looking for a Caribbean Countryside retreat with cool tropical breezes flowing from an elevation of 800ft above sea level, then this spacious home will not disappoint. Tastefully furnished and finished, the property is comfortably spread over 6000sqft and includes a pool with covered deck, bar, entertainment patio with a lovely view.

The living room with its high ceiling leads out to a split-level entertainment space with a bar on one level and a covered lounging and dining area by the pool on the other. Set in an elevated position, the entrance to the property is through electric gates with a winding driveway that leads through beautiful Mahogany trees up to the house.

Features such as high ceilings, a quiet country setting, a spacious kitchen that open out to the covered patio and pool area all combine to give a wonderful flowing feeling of space and relaxation.

Located just 8 minutes from Warrens and 15 minutes from the west coast beaches, the property is well positioned to offer easy access to the south and west of the island in one direction and the north and east only 20 minutes away in the other.
