HILBURY 'RENAISSANCE' - UNDER OFFER

Barbados

The word Renaissance means rebirth or reawakening, and by definition it truly fits the architecture and design of this unique home! Built ahead of its time in the 1980s, Renaissance is still a contemporary design with large windows, magnificent foyer, open-air courtyard and skylights, allowing an abundance of natural light. This 4 bedroom 3-bathroom executive family home sits on 2.6 acres of manicured grounds and commands stunning panoramic countryside views of the St. George valley. The home features an indoor garden, fish pond and courtyard with a spacious open plan design. In addition to the bedrooms there is a spacious study. *Rent includes maintenance of the A/C units, gardens and fish pond.*
