Description

Located in Chimborazo, St. Joseph amid the last remaining tract of natural Barbadian rainforest, Tree House is an eco-friendly one bedroom villa designed to provide net zero living in modern comfort. This home, which sits on approximately 34,000 sq. ft. of land, has been created with maximum efficiency in mind a delightful juxtaposition of cutting edge technology and the tranquility of an ancient rainforest. Additional features include a comprehensive energy management system, and solar water heating, as well as systems for water conservation and catchment keeping running costs at a minimum. There is also an Aquaponic organic kitchen garden and orchard with mango, plantain, breadfruit, coconut, guava, avocado, banana, fig and lime trees.
