VIDEO WALK THROUGH

This property is an alluring and iconic historic site situated in the heart of Bridgetown. The property is used for a range of entertainment purposes such as a bar, restaurant and parties whilst remaining in it's natural state to preserve the historical site.

It is the only remaining Screw Dock of its kind in existence in the world with a rich and vibrant history. In the 19th and 20th centuries ships came into the dock and had their vessels lifted out of the water for repairs and to be cleaned in the dock.
