

GIBBES

Barbados

Large residential Barbados land for sale located in Gibbes, St. Peter on the prestigious West Coast. Measuring 29,000 sq. ft. of land it offers a great investment opportunity for the development of condos, apartments, townhouses or a lovely family home. Located in a good neighborhood, it is ideally positioned within walking distance to beaches and easy access to amenities at Limegrove in Holetown and Speightstown, golfing and several fine dining establishments along the prestigious West Coast of Barbados. It benefits from 3 different accesses to the lot and is enhanced by several beautiful mature trees lining the lot. An unfurnished 3 bedroom, 2 bathroom property, the home of a former Governor General of Barbados, exists on the lot. Now in a state of disrepair, a buyer may elect to restore it if he/she so desires. Offered as land for sale 'as is,' it is priced to sell at US\$425,000. ACT NOW!
