

PROSPECT, ST. JAMES

Situated on the beautiful west coast of the island is this lovely 4 bedroom 3 bathroom property. From the main entrance door is located the foyer, with a full bathroom and bedroom nearby. Along a short corridor and down a few steps, one enters the main area. There is a fully fitted kitchen complete with a dishwasher, plenty of cupboards and decoran counter tops. The open plan living and dining area opens to a large patio, excellent for outdoor dining and offering magnificent views of the tranquil waters. From the patio one enters the garden, which in turn opens directly onto the beach.

The upstairs features 3 bedrooms. The master is quite spacious, with an en-suite bathroom, plenty of closets. It opens out to a large patio with views that only be described as breathtaking.

The other bedrooms share the second bathroom on this floor and one bedroom shares the patio with the master suite.

Because of its layout this home offers excellent opportunity for rental income or as a comfortable family home.

Nearby are restaurants, banks, supermarkets and all amenities.
