

MANDERLEY GARDENS, ST. PHILIP

This property is located in a quiet neighbourhood. It is a 2 storey building which consists of 3 residences with an optional 4th. The main house takes up the entire top floor and features 3 bedrooms with 2 bathrooms.

From the foyer which makes for a nice relaxing space, one enters the dining area. The living room is separate and the patio offers views of the neighbourhood.

The kitchen is a fully outfitted one with plenty of cupboards and ample work surfaces. The stove and oven are built in.

The master bedroom is ensuite and has a walk in closet..

Downstairs features a 2 bedroom 1 bathroom apartment as well as 2 studio apartments.

This property has great potential and can be easily converted to a multi-family residence or as an income earner.
