

ENTERPRISE PALMS

Enterprise Palms is a brand new middle-income housing development located in Enterprise, Christ Church, Barbados.

It comprises 10 three-bedroom, two-bathroom homes featuring modern and elegant finishes including granite kitchen countertops, contemporary hardwood kitchen cabinetry, all porcelain floor tiles, marble or granite bathroom countertops and crown mouldings. Apart from standard finishes, purchasers have the option to upgrade to a suite of premium finishes.

Designed by experienced architect Peter Thompson, Enterprise Palms homes meet applicable local civil engineering standards and offers unique curb appeal.

With the first of the 10 homes completed, it is offered at the affordable price of only US\$212,500 or BDS\$425,000, unfurnished.

Enterprise Palms benefits from its proximity to the popular and beautiful Miami beach and just a 5-minute drive to all amenities in Oistins.
