Description

You're just footsteps away from beautiful Dover Beach and the turquoise waters of the Caribbean Sea!

Sandy Tracks is ground floor beach side and, with no steps it is easily accessible. There are large windows facing the sea and access to a private gallery and seating area. The comfortably furnished living room and TV area adjoins the dining area and the fully equipped kitchen. Throughout it features several of the original coral stone walls, preserved during the remodeling of this historic building. Throughout Turtles Nest you'll be able to enjoy art by local artists. The owners are well-known on the island for their art-based family business, Best of Barbados Gift Shops, and the paintings and some accessories in each 'Nest' are by all three generations - Jill Walker, Sue Trew and

Holly Trew. The family also support local art and craft persons, so be sure to admire the unique pieces you'll find in each villa.

The Master bedroom in Sandy Tracks, decorated in refreshing greens with a palm tree theme, has a bamboo 4-poster king bed, an ensuite and a private patio. The patio has a small garden, a barbecue and a gate to the beach.

Bedroom #2 features a queen bed and an ensuite with a walk-in wardrobe. Bedroom #3 has twin beds that can be joined to make a king on request, a spacious wardrobe and an ensuite adapted to accommodate those that need a little more assistance. All bathrooms have showers and fun artistic details, making them unique.

There is a small laundry with a combined washing machine and drier plus a utility sink.

There is air conditioning and fans throughout.

The building has free Wifi.

Guests can enjoy the use of thoughtful details like a welcome package of refreshments on arrival, a boogie board for surfing the waves, a cooler for island expeditions or just for cool drinks on the beach, loungers for each guest and a community hall cupboard with games and books for all ages.
