

CHANCERY LANE

House is designed on an open plan - kitchen, dining and living room. House has a rustic ocean view. Ideal for a developer or someone who just enjoys the tranquility.

Property was used as a working farm and still has very good livestock pens to accommodate the following:- sheep, goats, rabbits, turkeys, and cows (which were all raised there).

Some renovation of the house is needed.

Please note:- This place is only for those that appreciate the isolation and the scenery.
