

HOLDERS 'KRACKERS TOO' 2 BEDROOM OCEAN VIEW

Krackers Too and Krackers Too B are side by side two bedroom one bathroom apartments that sleep 4 respectively. The stunning ocean views are breathtaking and every day ends with a magical sunset to be enjoyed around the communal salt water plunge pool or from the privacy of your patio.

This property is part of a private residence with live-in owners' upstairs with 2 dogs and a few outside cats that come and say hi and may or may not have a snooze on the patio. The apartments are on the lower level and each have a car space and own patios. A car is recommended to give ease of getting around the island, but you are also just a short walk away from bus routes. Along the road through the residential area, you'll find a few local rum shops that will have basic grocery items and also sell local food and drinks. There is also Payne's Bay Fish Market and a few local restaurants like the Roti Den, Positano, De Clay Oven and QP Bistro at the bottom of Holders Hill. Wendy's, a local sports bar, is about 5 minutes drive away in Fitts Village— great local food and ice cold beers all reasonably priced (4 beers for BD\$11)! Located just a 5 to 10 minute drive to Hometown and 15 minute drive to Bridgetown or Speightstown.
