

SUMMERLAND VILLAS

Saint James, Barbados

Summerland Villas is an exciting development on the west coast of Barbados. It consists of two-bedroom and three-bedroom condos and four-bedroom penthouses. The penthouses are arranged over the third and fourth floors and have private roof-top gardens and jacuzzi. The development benefits from direct beach access, a communal pool, ocean views, tropical landscaped gardens, allocated parking and elevator lifts. It is located in close proximity to shopping, supermarkets, golf courses, polo, water sports and fine restaurants. All units are finished to a high specification and are sold with a full range of kitchen appliances. This project represents affordable luxury on the exclusive west coast.
