COVE SPRING HOUSE, ST. JAMES, BARBADOS

Saint James, Barbados

Harding's International Real Estate offer for sale by auction possibly the most luxurious beachfront villa in the Caribbean! The 7-bedroom main house tucked away on a coral cliff boasts huge suites, a state-of-the-art fitness centre, a media room, and multiple indoor and outdoor living and dining spaces. With a separate 3-bedroom guesthouse, as well as huge patios, a resort-style pool area, and private beach access, there's plenty of space for friends and family to relax, unwind, and find his/her own beach-side bliss in this expansive, one-of-a-kind Caribbean escape. The Cove Spring House mansion was designed using coral stone, denoting the hallmark of Caribbean aristocracy. Its Palladian/Georgian open-architecture brilliantly captures the inherent beauty of the island, maximizes natural light, and allows the trade winds to cool the home. The mansion sits atop a coral cliff overlooking the majestic Caribbean Sea. Hugging the cliff at its base is a secluded beach with private access only from the Cove Spring House mansion. The entire property is surrounded by lush greenery, offering exclusive privacy and pristine beauty. The mansion's castle-like architecture is complimented by sophisticated interior design and haute-couture furnishings, creating a distinctive setting that becomes the centrepiece for the Cove Spring House experience: sophisticated luxury, meticulous service and staff, delectable menus, exclusive privacy and ultimate relaxation.
