

NEWSTEAD HOUSE AND COTTAGE*

 Christ Church, Barbados

A wonderful, spacious traditional Barbadian home with an adjacent and self-contained 1 bedroom apartment, situated just a very short walk to the heart of the south coast.

Some charming wide steps lead up to a large sheltered L-shaped and breezy front patio that takes you into the very open plan living and dining area. This flows nicely to a full equipped and elegant kitchen. The three main bedrooms are all an excellent size with both an a/c and ceiling fan. The master bedroom is approximately 20 x 12 with an updated en suite bathroom with a double vanity and a bathtub/shower. The other two bedrooms are each about 14 x 13, and they share a bathroom with a shower in it. There is also another large room with an a/c that is 15 x 12 that could serve as a fourth bedroom or a home office. To the rear of the property is an open-air elevated wooden deck that overlooks the expansive back garden with many fruit trees and a laundry in a shed.

The property is nicely enhanced with high ceilings, lovely hardwood floors and security grills. The apartment is conveniently set-back from the main house making it very private. It has a large covered front patio, a living and dining room, sizable kitchen, ample sized bedroom and a bathroom with a shower in it. Truly a great place for a family or for someone who would like to live in a beautiful home and rent out an apartment.
